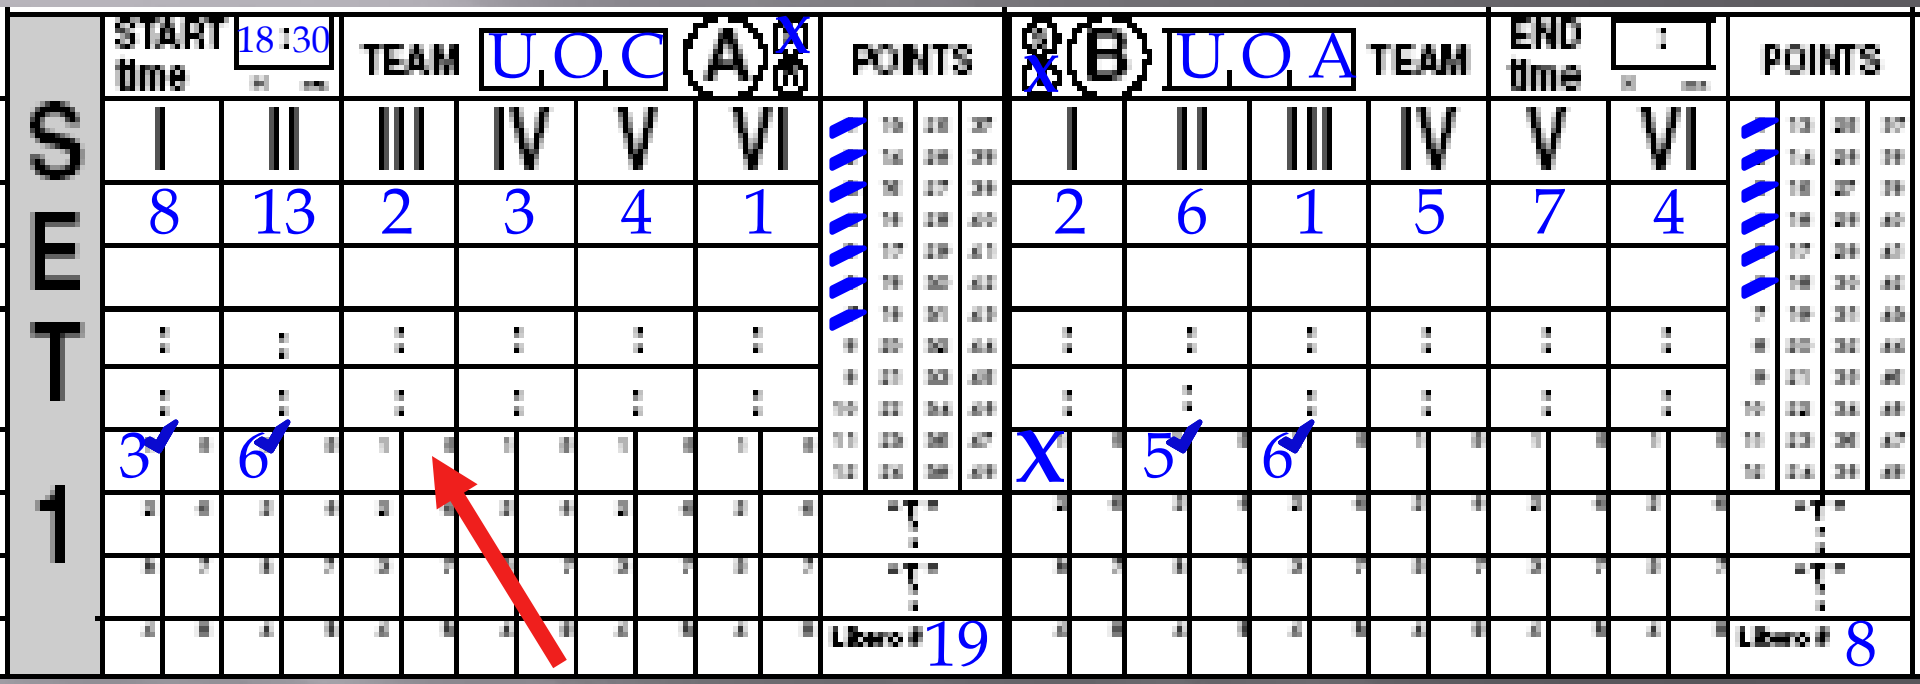
In the event of the wrong player going to the service zone, the scorer is to let the player commit the rotation fault (improper service order) - then notify the 2nd Referee of the service error immediately.

# Rotation Fault
# 1st Service – Incorrect Server



In the event of a Rotation Fault (Incorrect Service Order), the following is done:

1. Allow the service fault to occur
2. Make no check mark on the score sheet

# Rotation Fault
# 1st Service – Incorrect Server

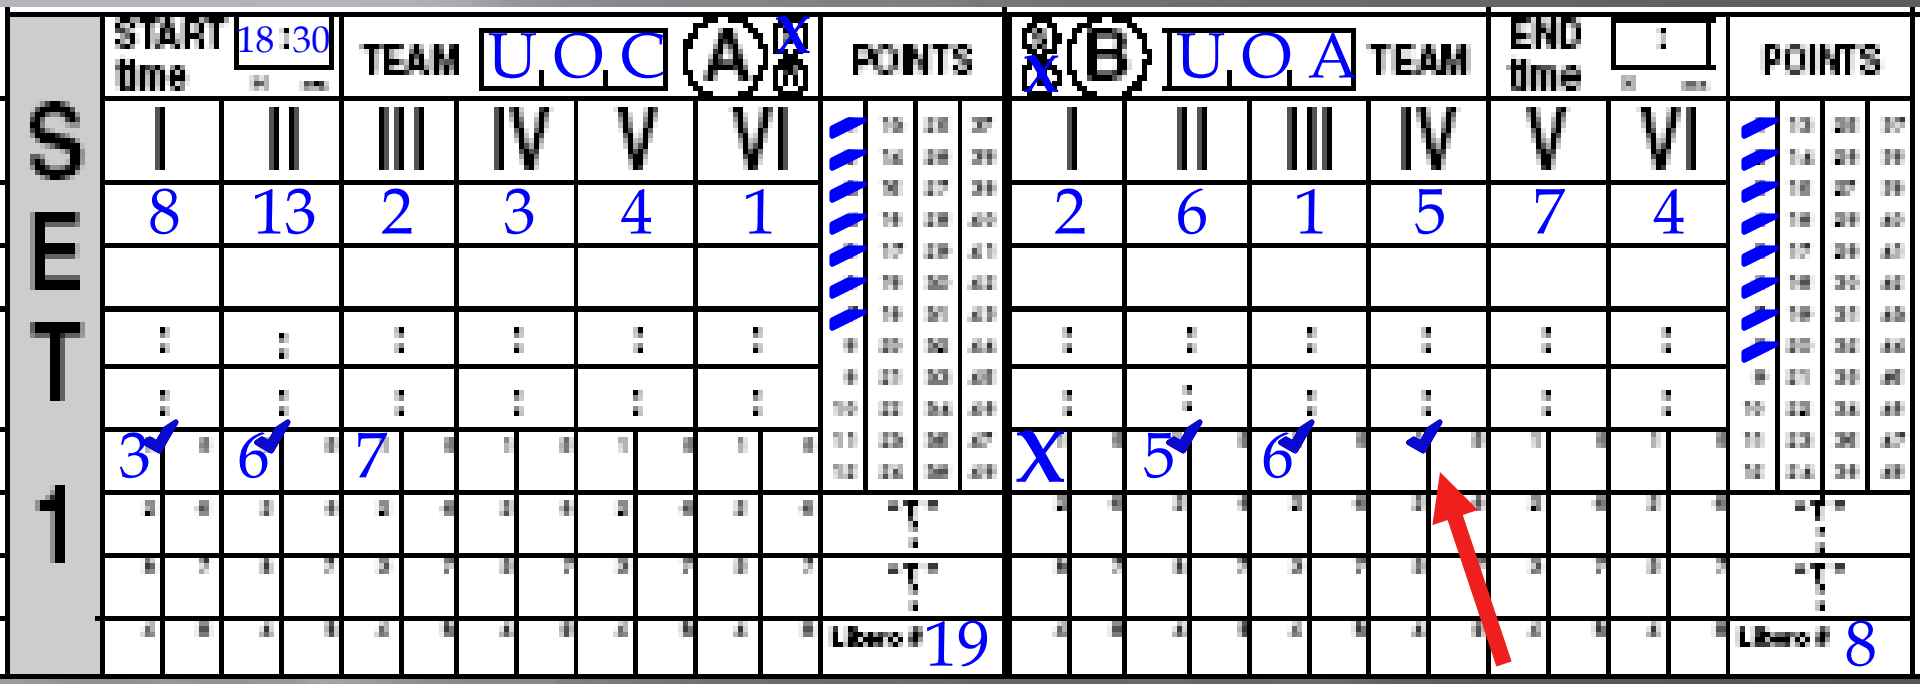
1. Alberta #5 correctly serves (check mark)
2. Alberta wins the rally and scores a point

# Rotation Fault
# Subsequent Service – Incorrect Server



If a Rotation Fault occurs where the correct server starts the sequence and then the team rotates, the following is done:

3. Alberta #5 should serve again but the team rotates and #7 serves
4. Inform the 2nd Referee at the time of service contact

# Rotation Fault

# Substitutions

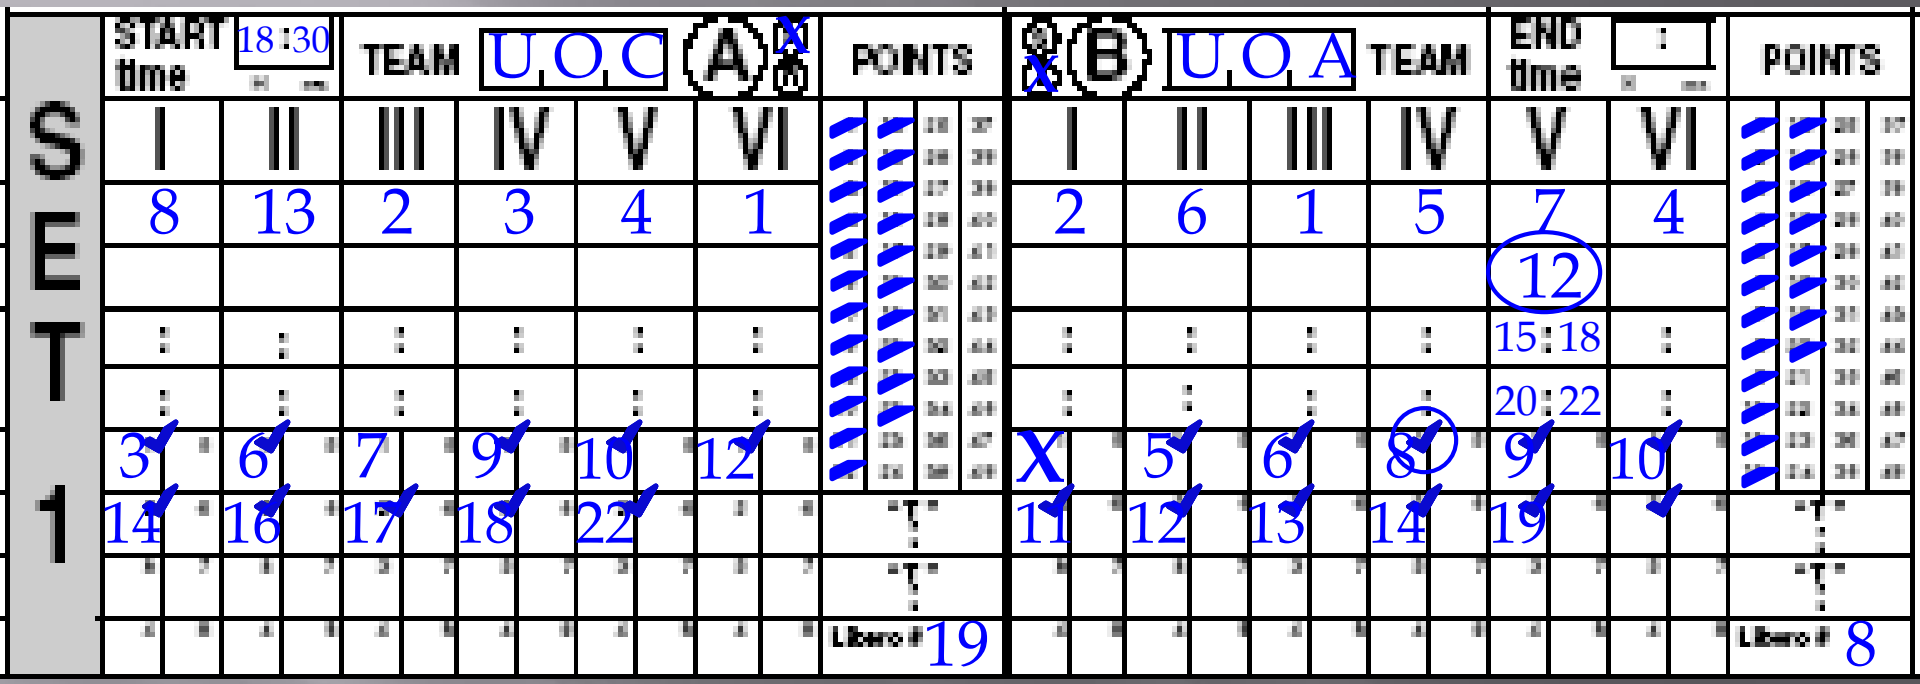
The Assistant Scorer will say, “#7 is replaced by #12. The score is 15 to 18.”

Mark a “12” below player number “7” and record the score. When recording the score, the first number is always the team that requests the substitution.

Once complete, raise both hands (palms facing out) to signal that play can be resumed. This signal is used at the end of all interruptions.

# Substitutions



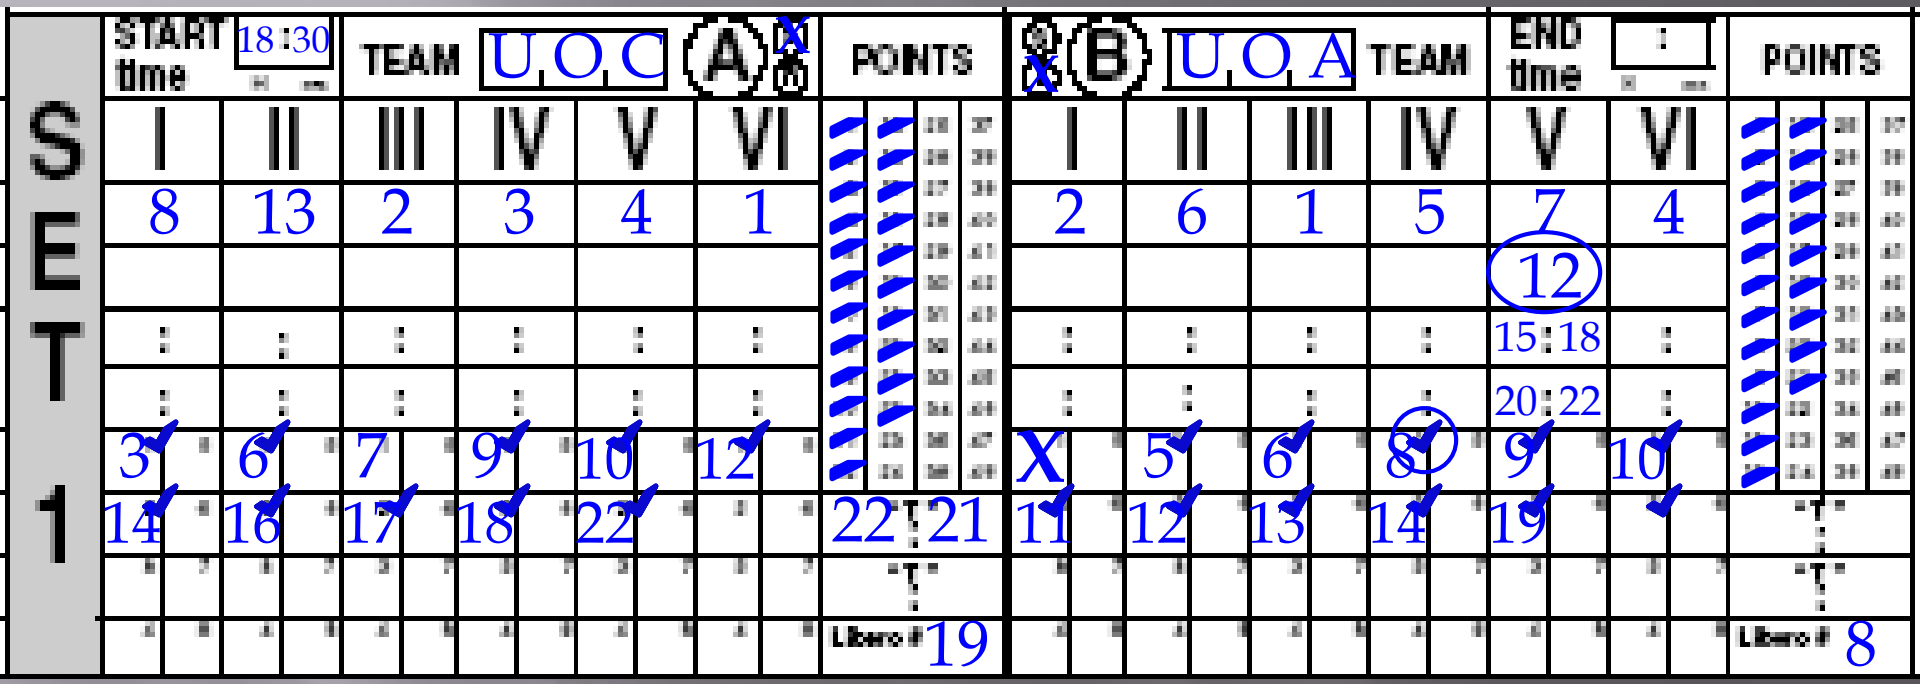
Should there be a second substitution for the same pairing of players you will simply repeat the process.

The Assistant Scorer will say, “#12 is replaced by #7. The score is 20 to 22.”

When finished, you must circle the number of the substitute player to indicate that he/she may not re-enter the set.

# TIME OUT

# First Time Out

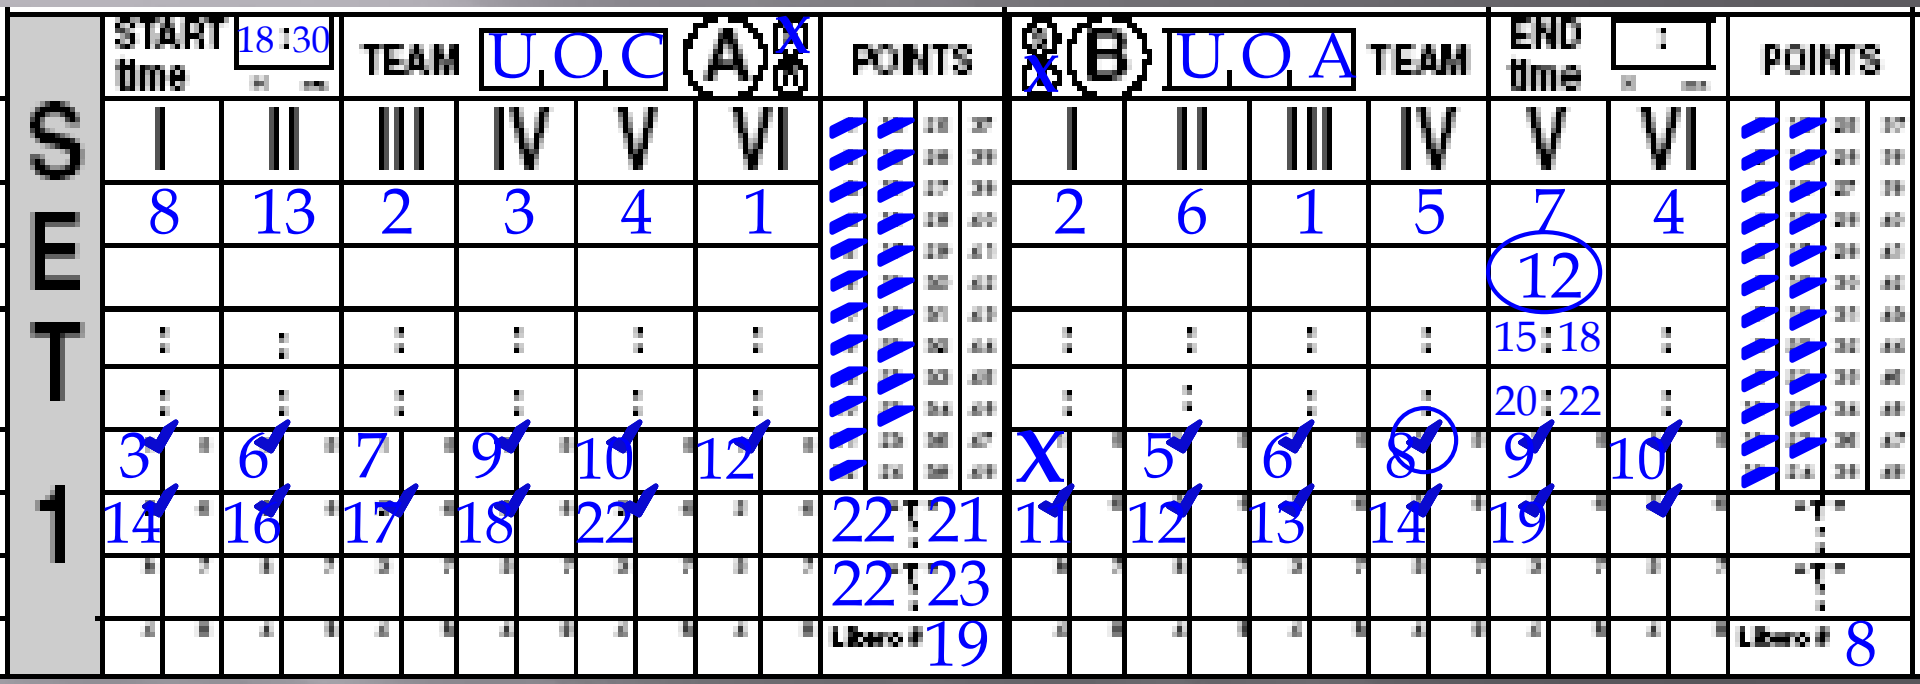


The coach from Team A requests and is granted a Time out.

Team A has 22 points, Team B has 21 points.

Record the score in the first “T” box, beginning with the score of the team that called the Time out.

# Second Time Out



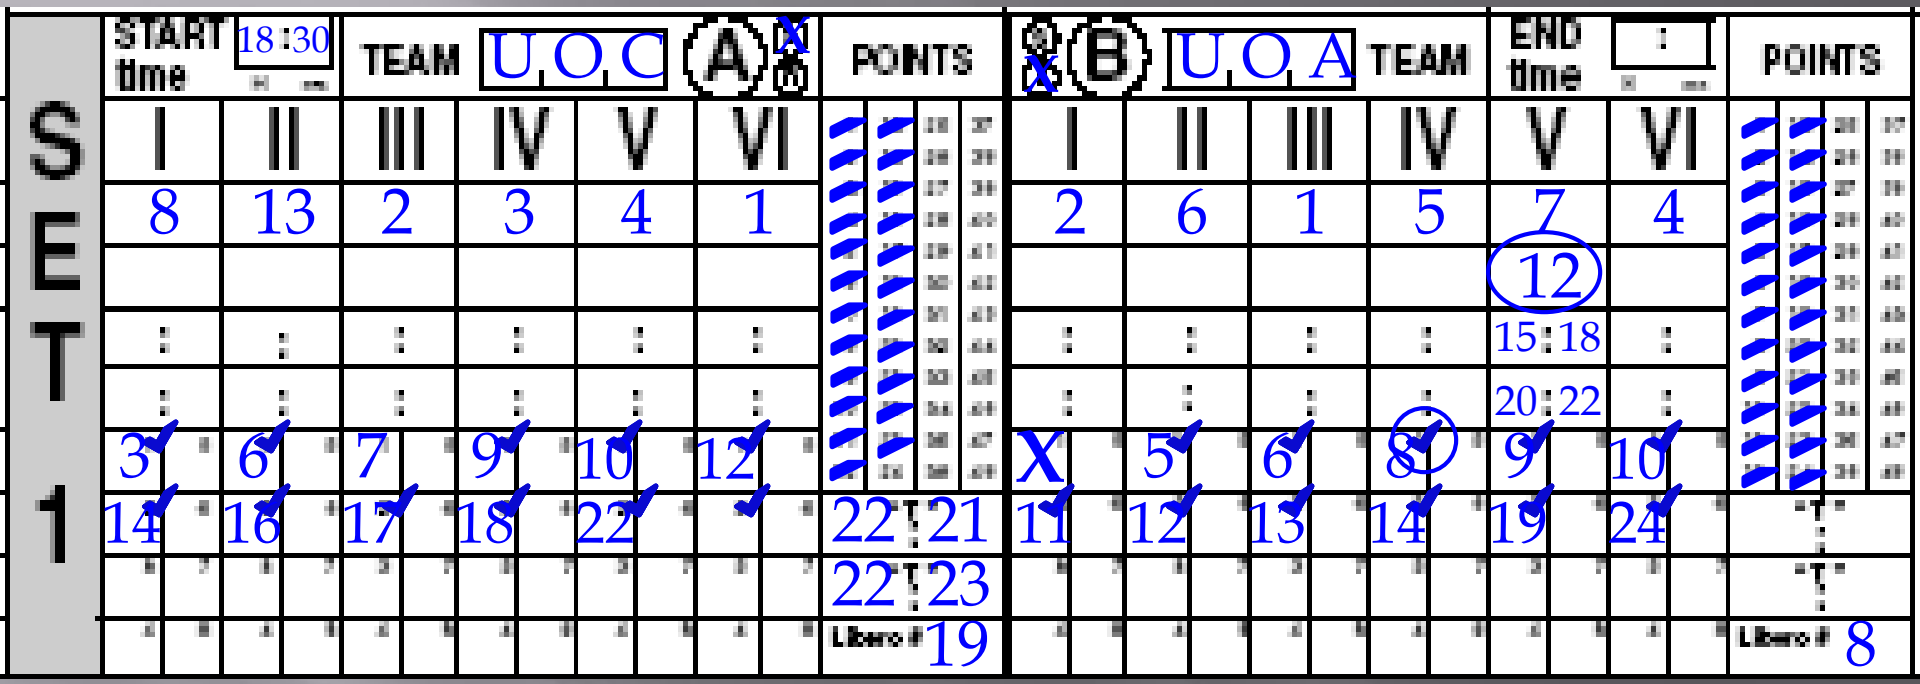
The coach from Team A requests and is granted a second Time out.

Team A has 22 points, Team B has 23 points.

Record the score in the second “T” box, beginning with the score of the team that called the Time out.

# THE SET IS OVER

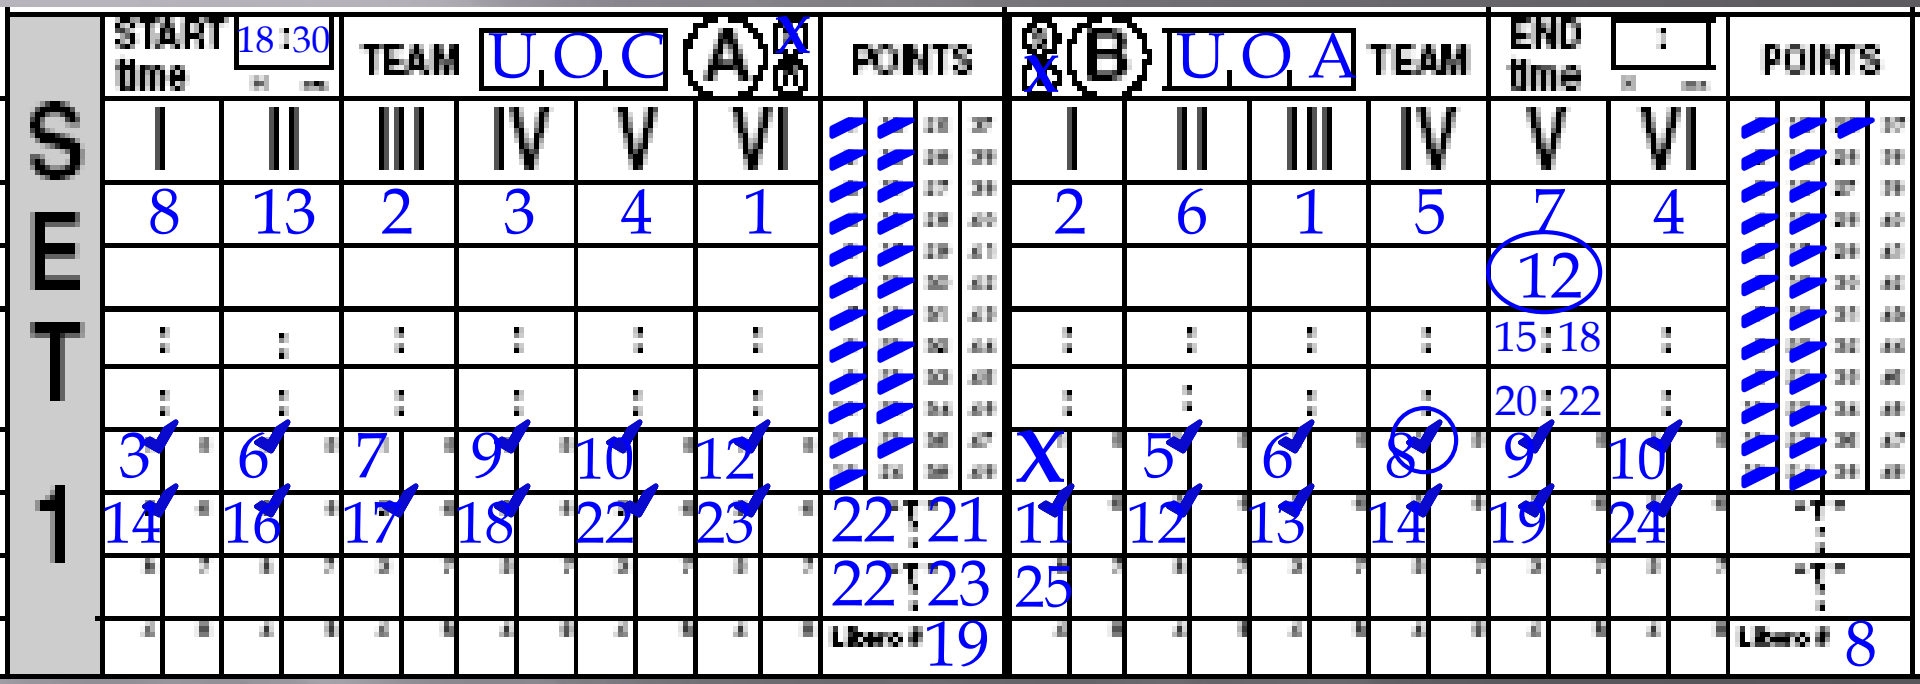
# End of Set



Alberta wins the rally following the time-out and loses the subsequent rally.
Exit score for the server is 24 points.

The Calgary server serves the ball out of bounds.

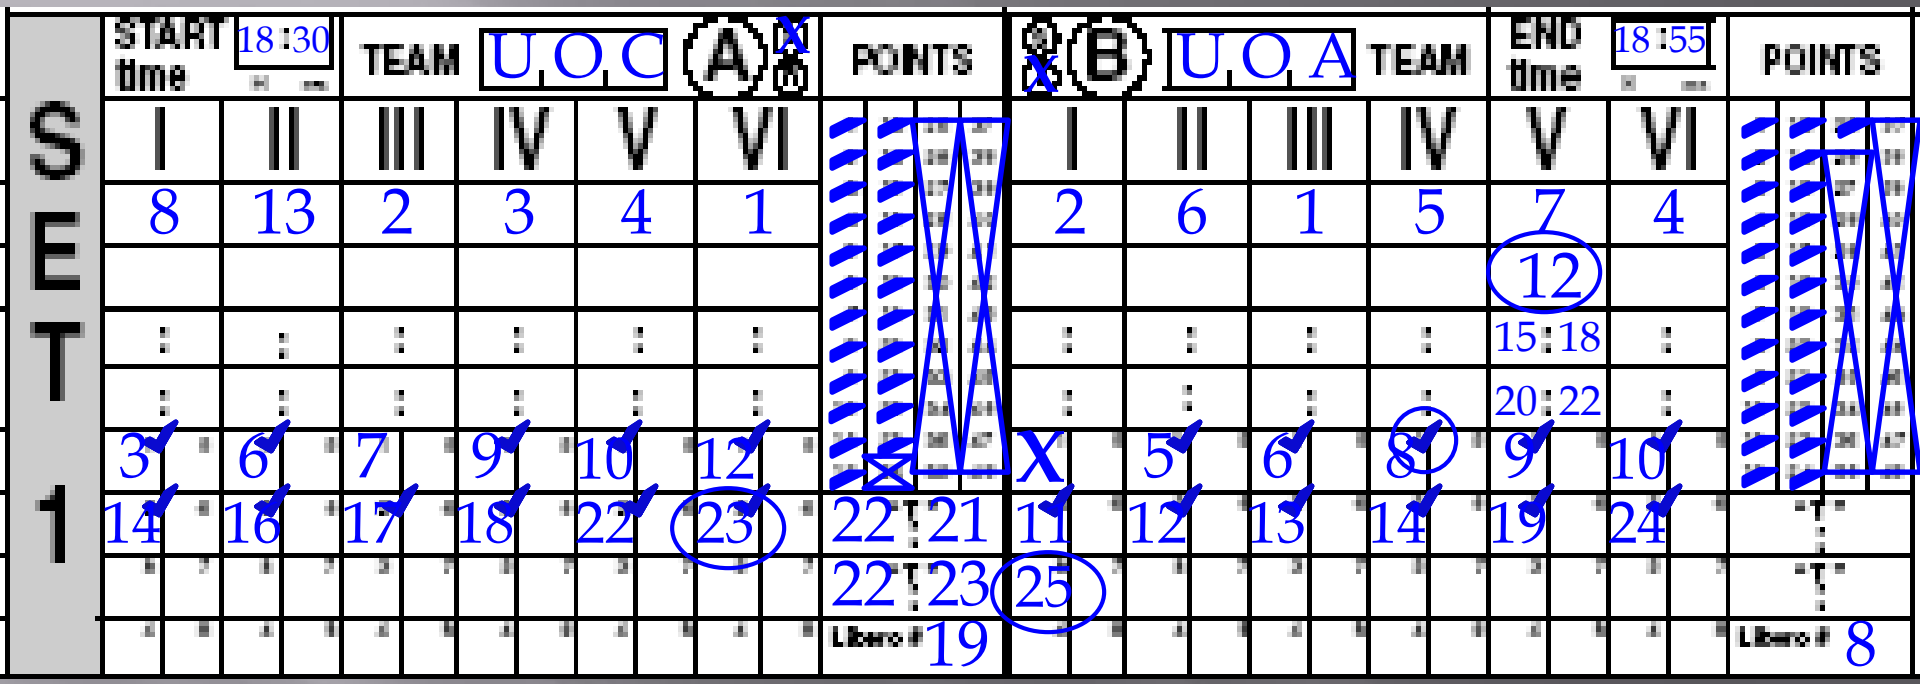
# End of Set



Record the finishing score of 23 for Calgary's last server.

Cross off point 25 and record Alberta's finishing score of 25 in the next available service box.

# End of Set



Record the set end time as soon as the set is over.

Circle the finishing score of 23 for Calgary and 25 for Alberta.

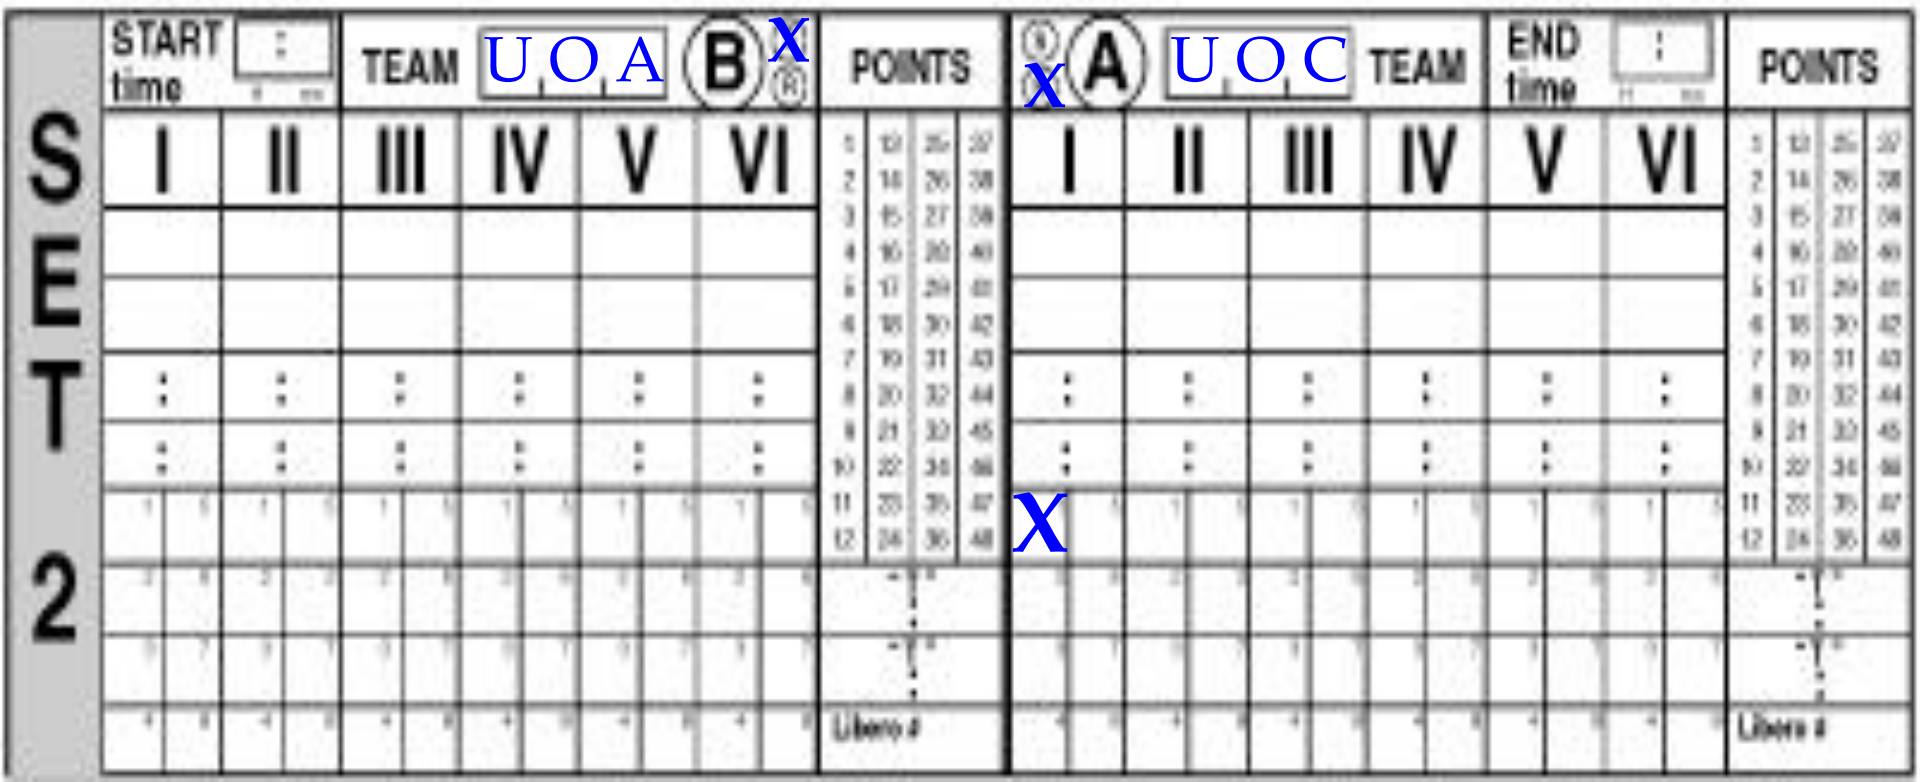
Cross off **all** unused points with an hourglass shape to prevent any further changes to this set.

# SECOND SET

# Second Set

All subsequent sets, except the deciding set (3rd or 5th) are organized in the same fashion as set one.

The only difference is the Teams change sides (B is on the left, A is on the right).

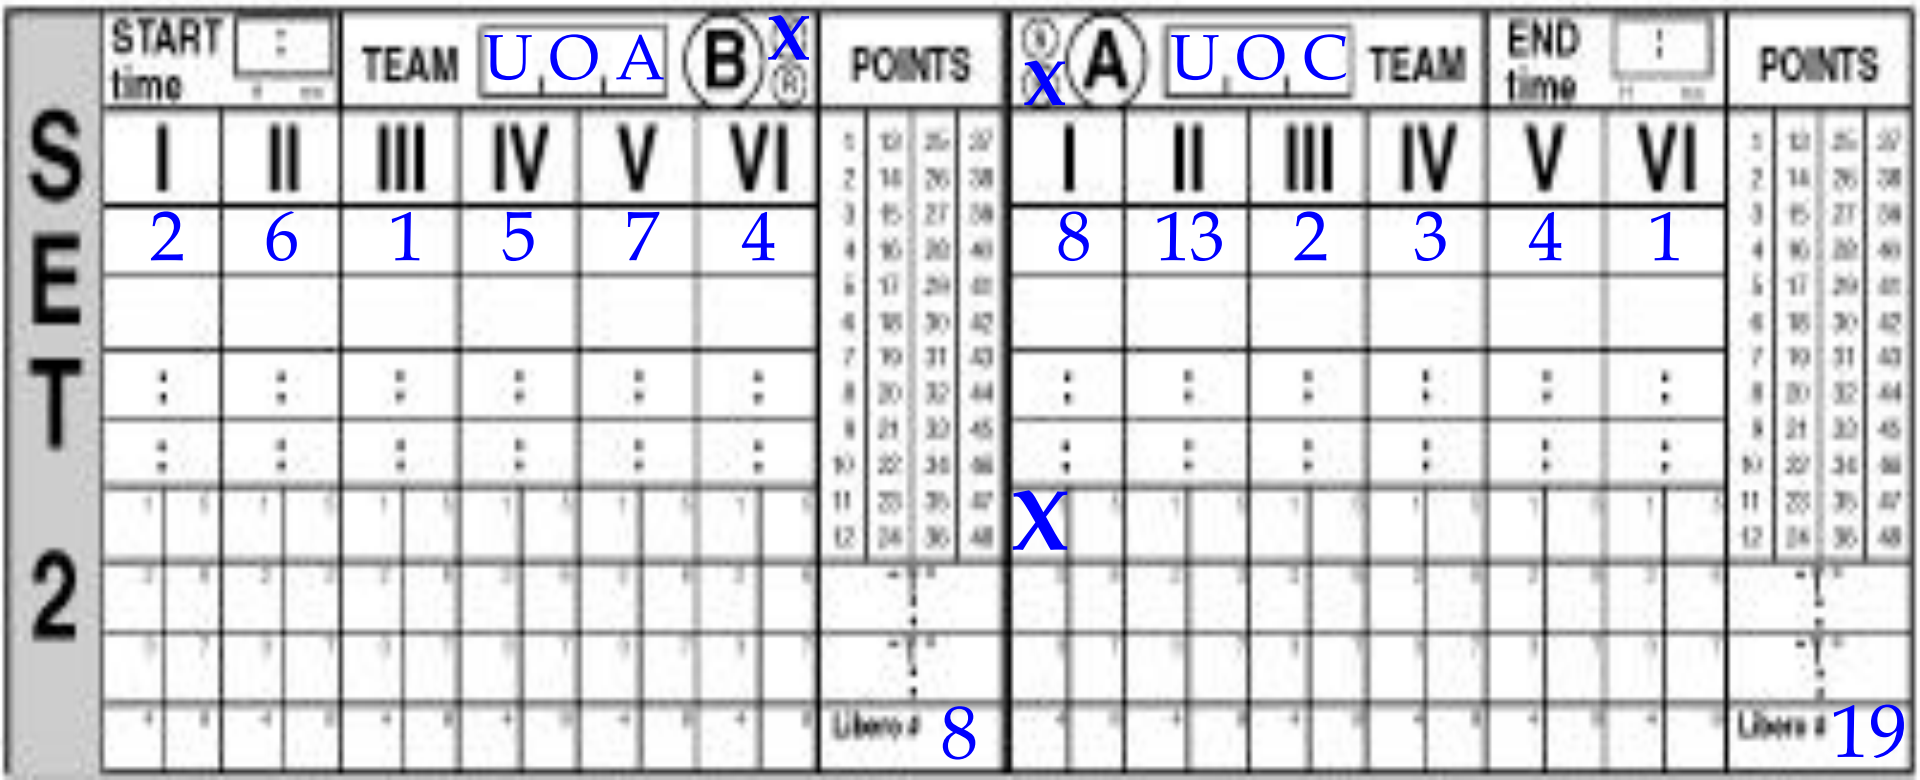


# Second Set

A new line-up must be submitted by the coach for every set.

Verify the line-up against the team roster before writing the player numbers on the score sheet.

Initial the back of the line-up card after recording the player numbers.



# Second Set

All subsequent sets start three (3) minutes after the end of the preceding set.

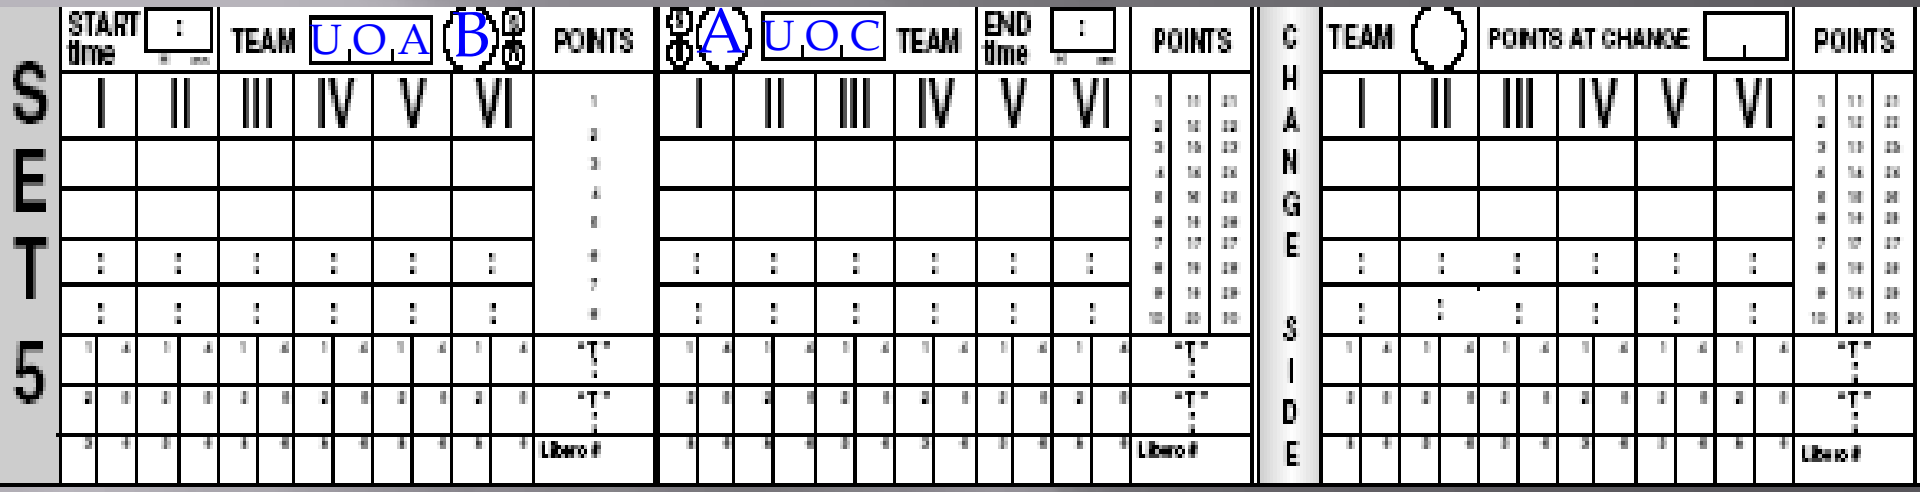
# DECIDING SET

Set 3 - in a best 2 of 3 Match

Or

Set 5 - in a best 3 of 5 Match

# Deciding Set

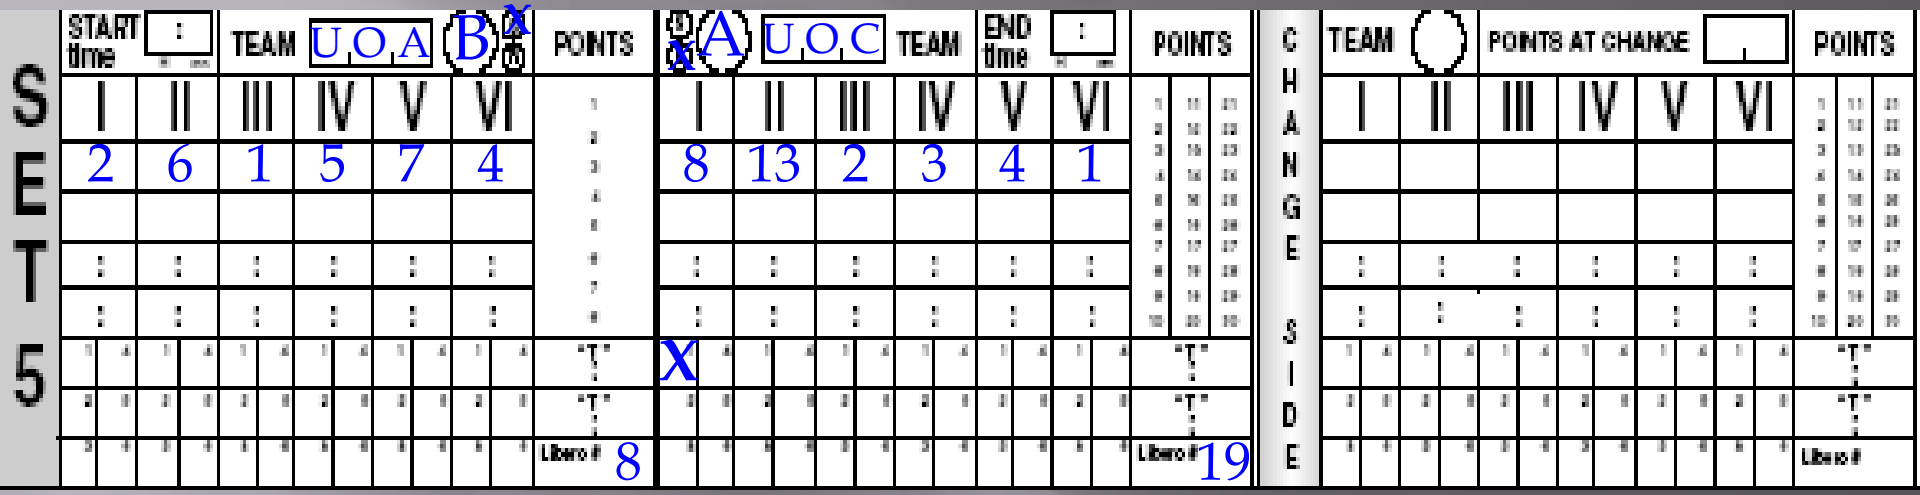


The deciding sets works in a similar manner as all previous sets.

As the scorer, you will have to:

1) Be aware of the deciding set coin toss conducted by the officials in front of the scorer's table
2) Fill in the three (3) letter team abbreviations
3) Fill in "A" and "B" based on the results of the coin toss

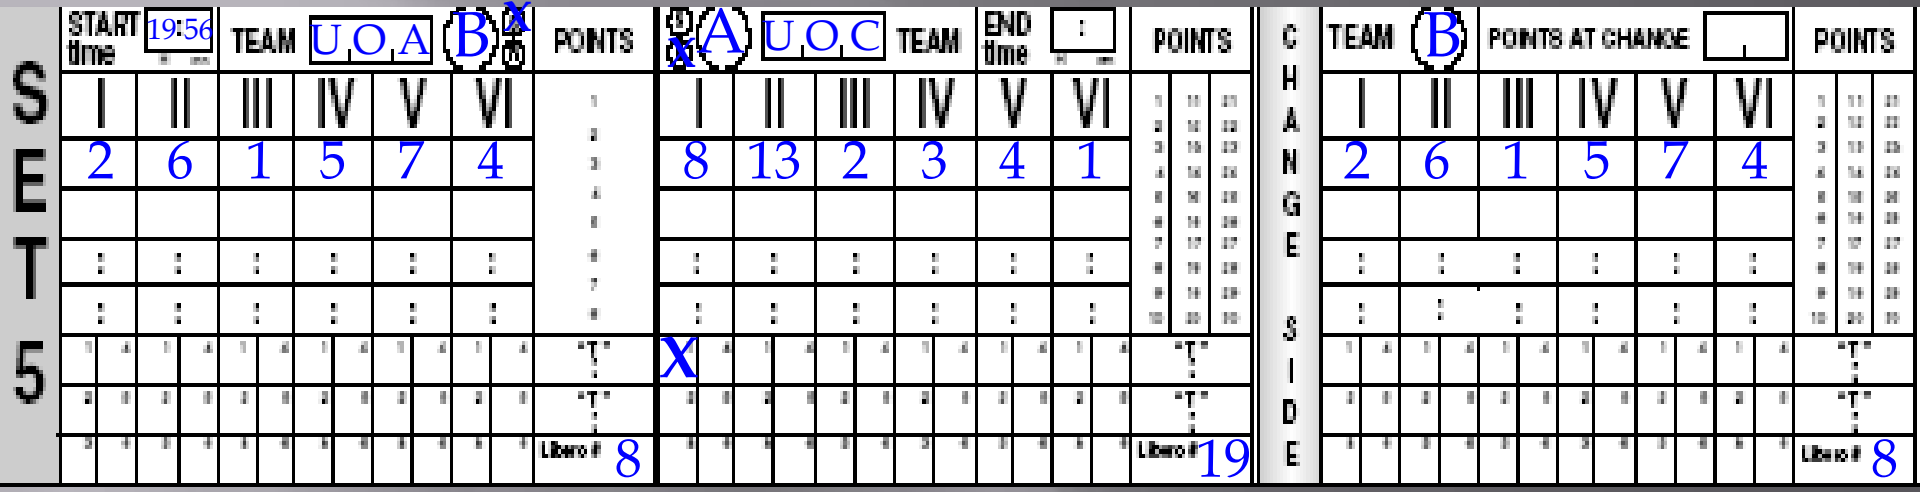
# Deciding Set



As the scorer, you will have to:

4) Put an "X" over the respective S and R for each team
5) Put an "X" in the first box of the receiving team
6) Verify the line-up against the team roster before writing the player numbers on the score sheet
7) Initial the back of the line-up cards

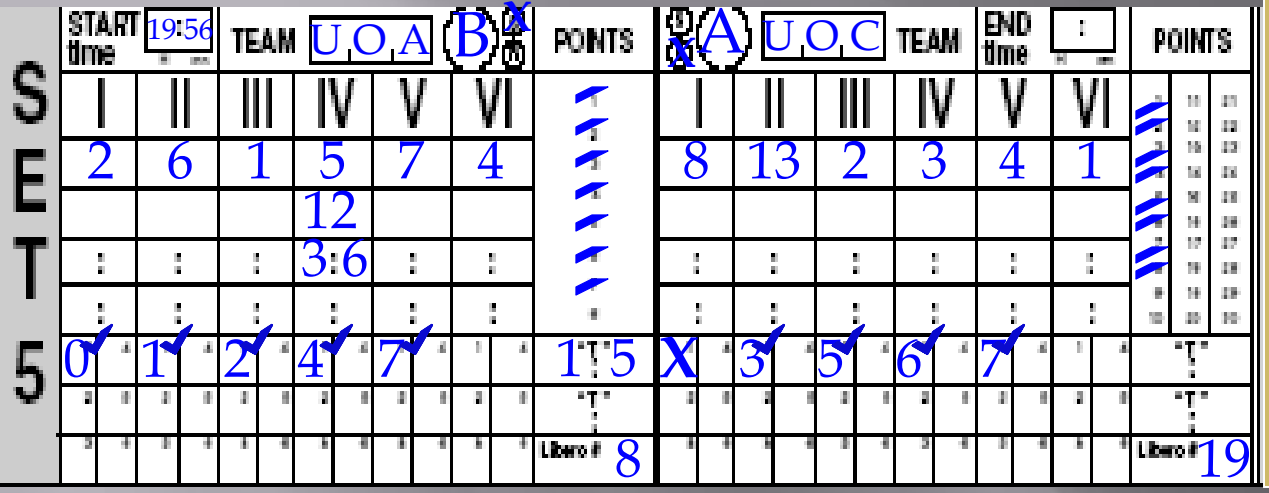
# Deciding Set



There are, however, some differences in the organization process. As the scorer, you will have to:

8) Transcribe the information for the team on the left side of the score sheet to the far right side of the score sheet
9) Fill in the starting time for the set (three (3) minutes following the end of the previous set)

# Deciding Set

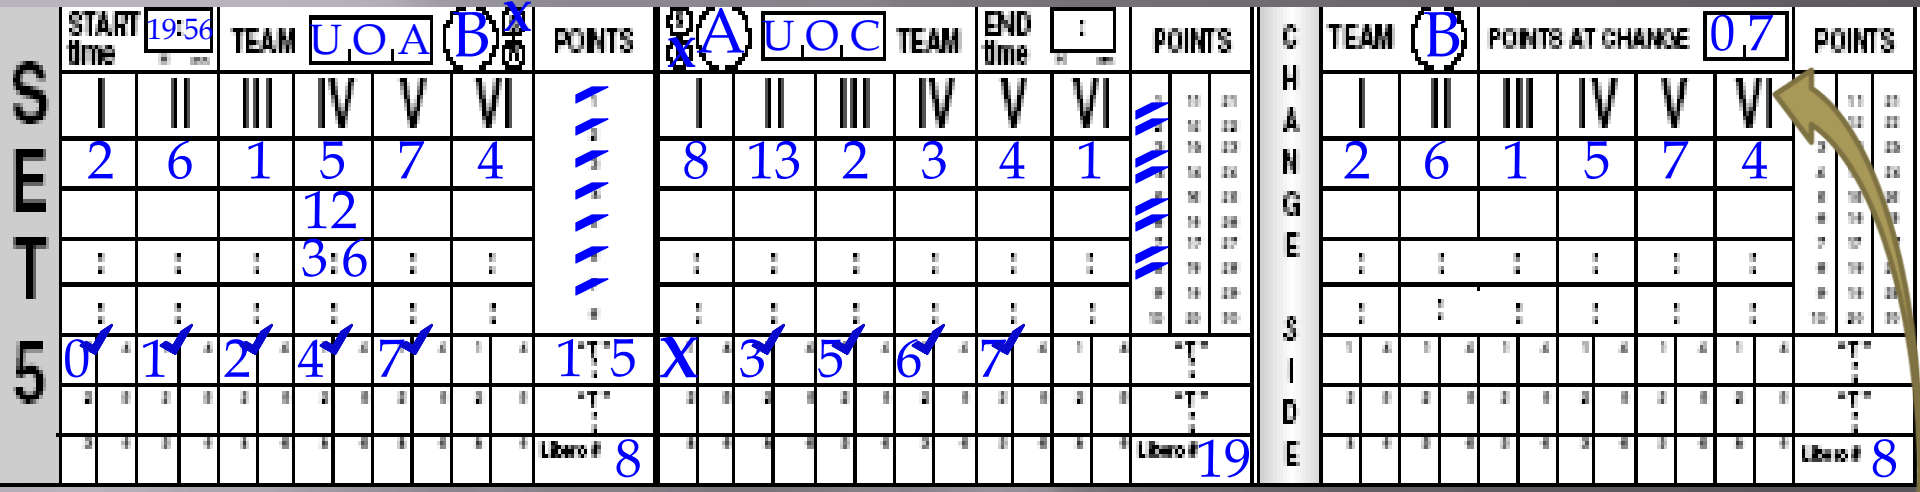


For the first eight (8) points of the set, only look at the left part of the sheet.

The scoring example is broken down into three sections:

1) Start of set through until the first time out (U of A at 1:5)
2) From the first time out until the first substitution (U of A at 3:6)
3) From the first substitution until the change of court

# Change of Courts

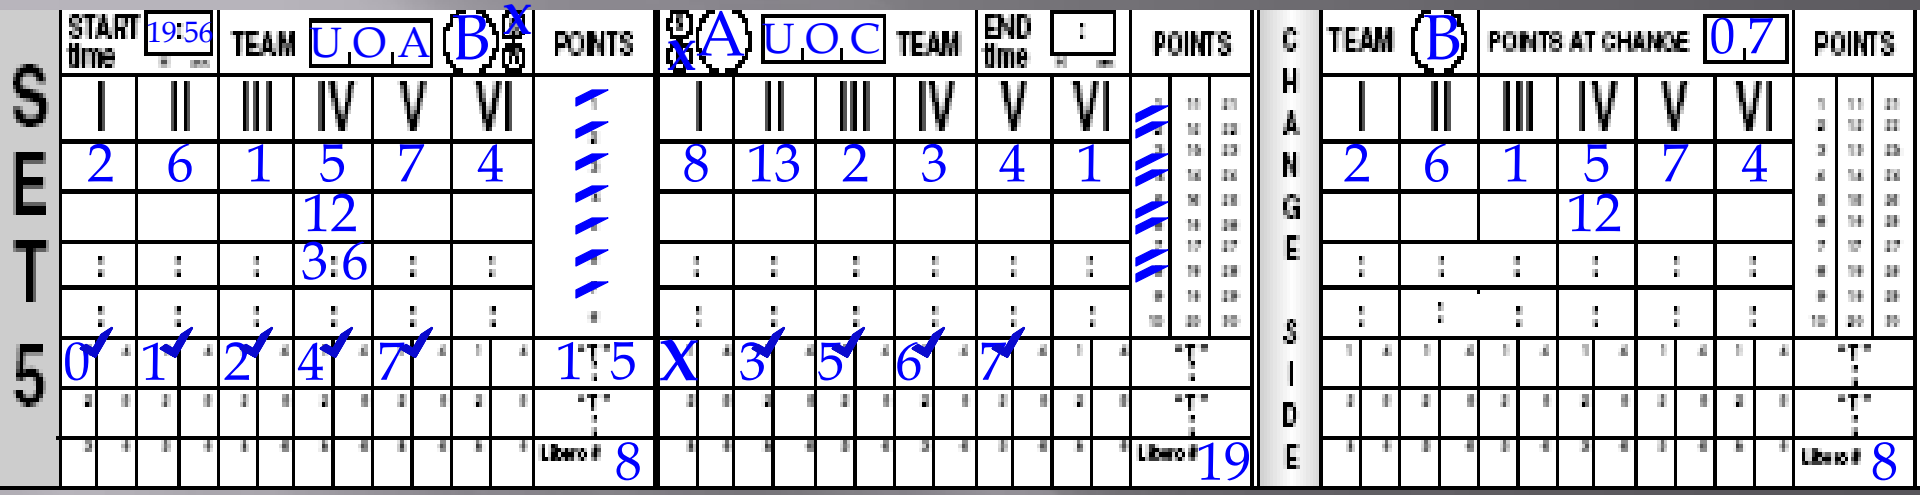


After one of the teams attains eight (8) points, the teams will be directed to change sides of the court

During the change of courts, as the scorer, the following must be completed:

1) Record the points at change
   - **Note:** Points at Change refers only to the number of points scored by this team.
2) Remind the 2nd referee who the next server is on each team so they can check the team's rotation after the change is complete

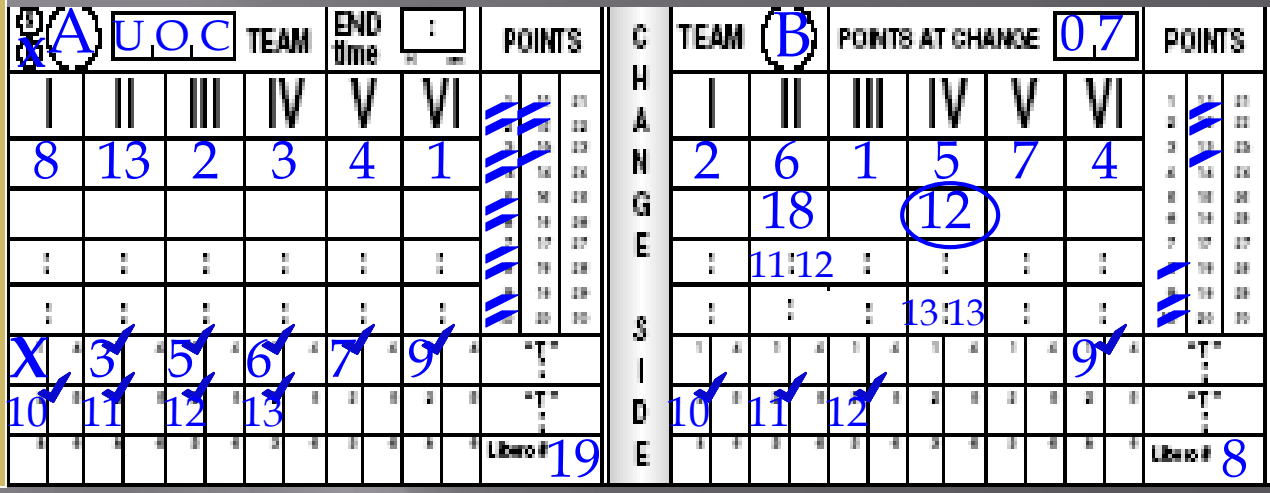
# Change of Courts



The only piece of information transferred to the right hand side of the score sheet is the substitute number.

**None** of the other information on the left hand side of the score sheet is transferred to the right hand side.

# Deciding Set Continued

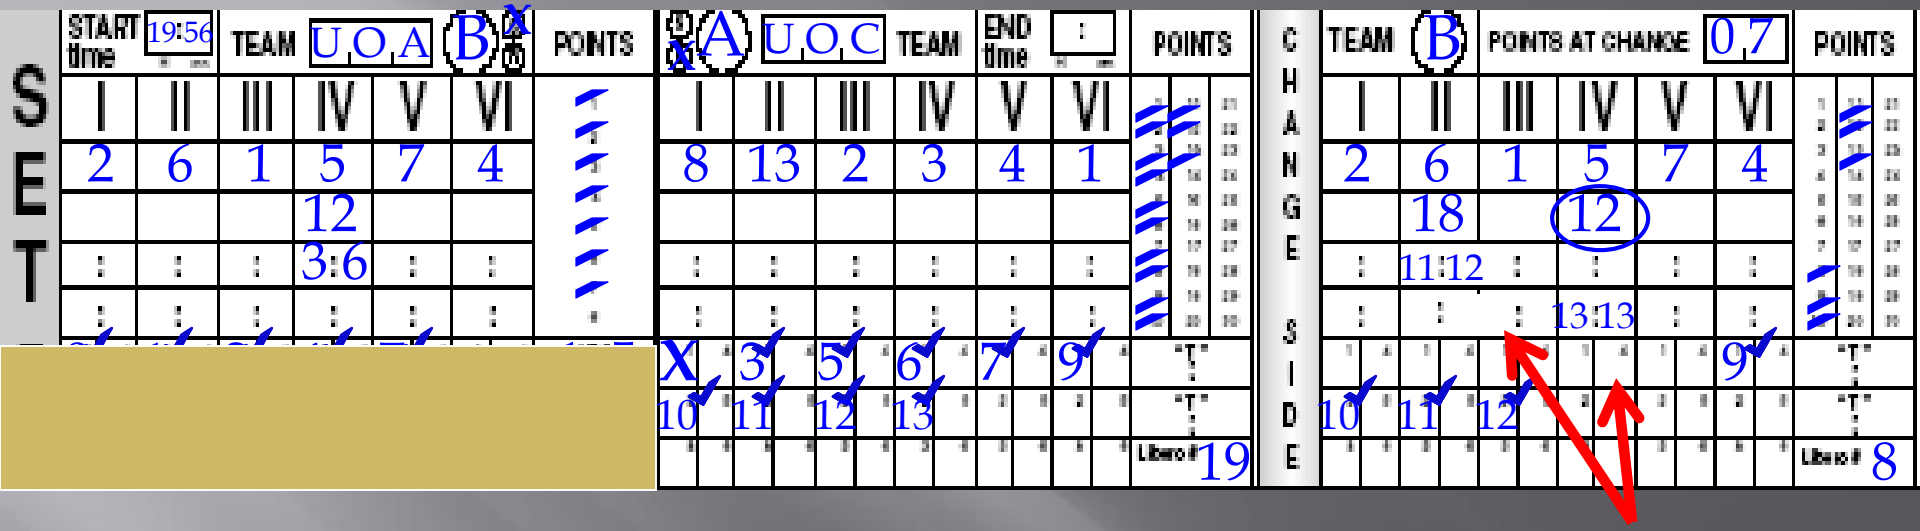


After the change of courts is complete, continue using the right portion of the score sheet.

The continued scoring example is broken down into four additional sections:

1) Change of courts until the second substitution (U of A at 11:12)
2) From the second substitution until the third substitution in the set (U of A at 13:13)

# Recording Substitutions

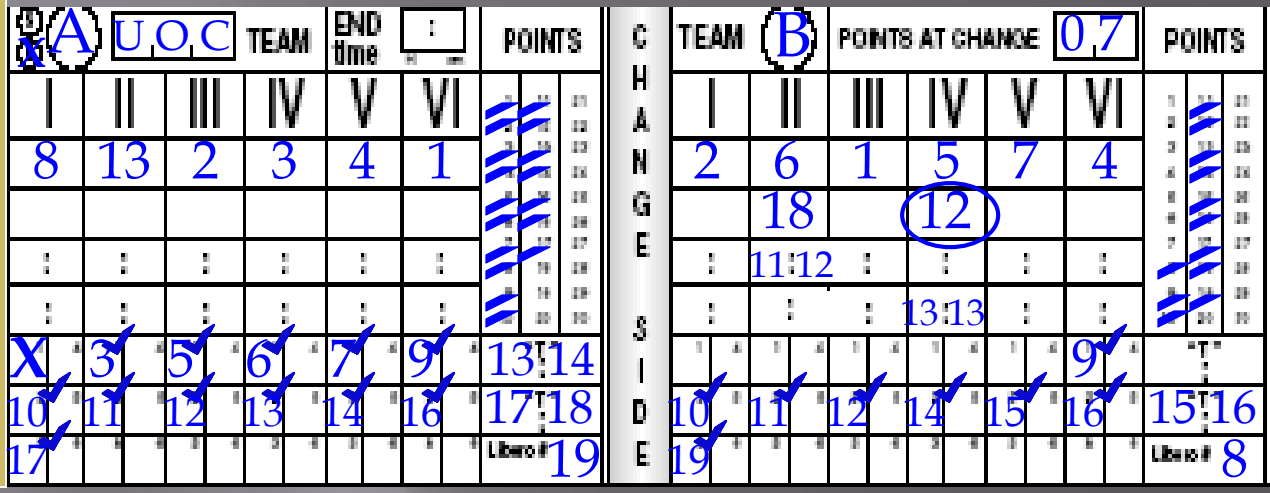


**Note:** There is a difference where the substitutions are recorded

1) The substitution at 11:12 is recorded in the top space because this is the first exchange between this pairing

2) The substitution at 13:13 is recorded in the bottom space because this is the second exchange between this pairing

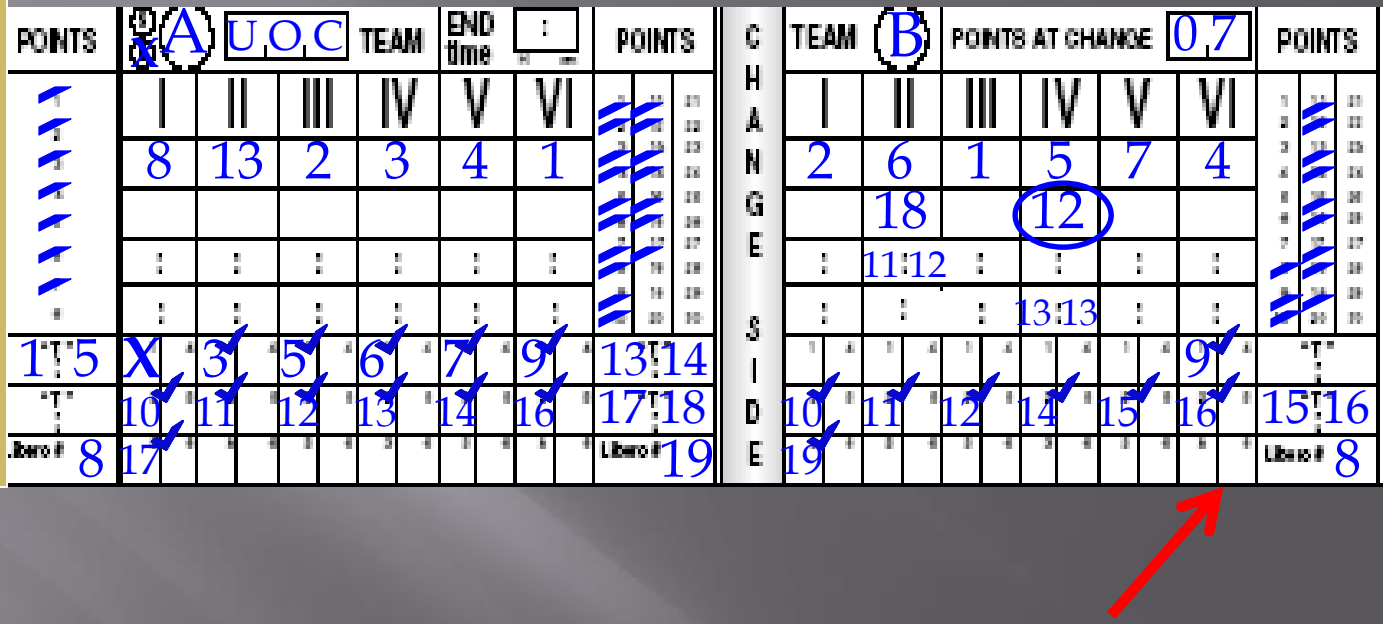
# Deciding Set Continued



The continued scoring example is broken down into four additional sections:

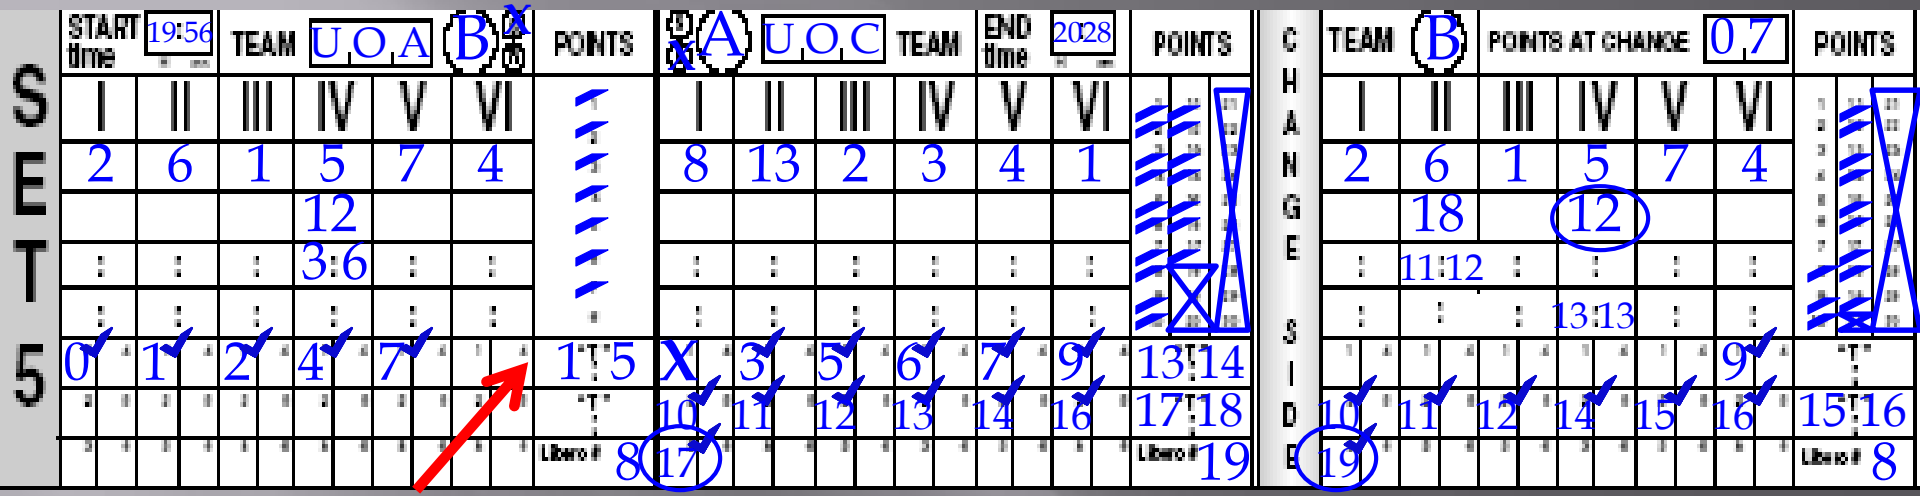
3) From the third substitution until the second U of A time out (U of A 15:16)
4) From the second U of A time out until the end of the set/match

# Deciding Set Continued



**Note:** The time out is recorded in the lower position because it is the second time out for the team.

# Deciding Set Completion



Complete the set as per usual:

1) Record the End Time when the last point is scored
2) Circle the team's finishing scores
3) Cross out the remaining points with an hourglass
   - **Note:** The unused points on the left hand side are not crossed out

107 + 3 + 3 + 3 + 3 = 119

119 minutes converts to 1 hour and 59 minutes.

This should equal the difference between match starting and match ending times.
